

After School Enrichment Programs

Northborough Recreation's After School programming takes place right after school in each of Northborough's four public schools. Kids enrolled in an after school program at their school will be dismissed to the program location at their school. Children from other schools are welcome to sign up, but please note that we are unable to provide transportation.

Arctic Adventures with the Worcester Art Museum

Enjoy the magic of winter through explorations in paint, collage, sculpture and more. Study the people and animals of the Arctic region with instructors from the Worcester Art Museum. All materials will be included. (We are not able to offer this at Zeh due to a scheduling conflict.) *Minimum of 10, max of 12.*

Grades: 3—5
Peaslee: Tuesdays, January 10—February 28 (skip January 17), 3:30-4:30pm
Lincoln St: Wednesdays, January 11—February 15, 3:30-4:30pm
Proctor: Thursdays, January 12—February 16, 3-4pm
Instructor: Worcester Art Museum instructors
Cost: \$75 until one week before program starts, \$85 within one week of program starting

Beasties Art Class

This fun and imaginative program is designed to increase students' awareness in creating characters, learning to express themselves through an art form, and to learn basic techniques for developing their own individual characters. Students will get to choose several "Beastie" characters from Mr. LaChance's expansive collection to draw and will also create their own "Beastie" character to share with others. Materials will be provided. Kids who have taken this class are welcome to take it again and add even more characters to their own collection! *Minimum of 10, max of 20.*

Grades: 3—5
Lincoln St: Tuesdays, January 10—February 28 (skip Jan. 17 & Feb. 21), 3:30—4:30
Zeh: Thursdays, January 12—February 16, 3—4pm
Instructor: Ray LaChance
Cost: \$85 until one week before program starts, \$95 within one week of program starting

Chess

Chess Wizards is a premier chess education company providing fun, informative and challenging chess lessons to students. The mission of Chess Wizards is to improve students' logic, concentration and critical thinking skills while introducing students to the magical world of chess. Chess Wizards teaches children many important life concepts, such as learning the ability to win graciously and accept defeat with dignity and sportsmanship. All of students will be divided into groups according to their chess experience. *Minimum of 10, max of 20.*

Grades: 3—5
Lincoln St: Mondays, January 9—March 12 (skip January 16 & February 20), 3:30—4:30pm
Zeh School: Tuesdays, January 10—March 13 (skip January 17 & February 21), 3—4pm
Proctor: Wednesdays, January 11—March 7 (skip February 22), 3—4pm
Peaslee: Fridays, January 13—March 9 (skip February 24), 3:30-4:30pm
Instructor: Chess Wizards
Cost: \$145 until one week before program starts, \$155 within one week of program starting

Engineering FUNDamentals

Students take on real-life engineering challenges that explore concepts in physics, architecture, mechanical and structural engineering with over 100,000 pieces of LEGO materials. From racecars to battletracks, this is a hands-on *Minimum of 6, max of 12* minds-on adventure suitable for LEGO novices to maniacs! Designed by engineers, the curriculum challenges both new and returning students to reach the next level of engineering comprehension, all while having fun. *Minimum of 10, max of 16.*

Grades: 3—5
Zeh: Mondays, January 9-March 12 (skip Jan. 16 and Feb. 20), 3—4:30pm
Proctor: Thursdays, January 12-March 8 (skip Feb. 23), 3—4:30pm
Instructor: Play-Well TEKologies
Cost: \$150 until one week before program begins, \$160 within one week of program beginning
