

February Vacation Programs

RECREATION FUN DAYS

We've got you covered for those school holidays! Kids in grades K-5 can sign up for an active day of gym games, sports games, board games/card games, arts and crafts, playground time and more! Dates below are based on Northborough's public school calendar. Kids will need to wear sneakers, bring a water bottle, two snacks and a lunch.

Grades: K--5
Dates: February 19 - 22
Times: 8am-4pm
Location: Town Hall Gym and Rec Center, 63 Main Street
Staff: Recreation Birthday Party/Camp Staff
Cost: \$45 first child/\$30 siblings

ART PROGRAMS AT THE PAINTED PINK CAT STUDIO

Looking for a crazy creative vacation art program? The Painted Pink Cat Studio is the place to be! We are excited about this dynamic studio art program. Over the course of one week, we will dive into some of the following art techniques: drawing, painting techniques with acrylics, mixed media, clay art slab portraits, pottery, sand painting, monoprints and lino cuts, wood sculpture, pastels with chalk and oil, collage, 3 panel canvas art, and more! All supplies and materials will be provided. The styles of many famous artists and the seven elements of art will be studied in depth. Your child will leave with a portfolio that is uniquely their own. Please have your child wear old clothes that can get messy and bring a bag lunch (nut free please). Wait to see your child's inner artist go WILD!

Ages: 6-12
Days: Monday-Friday
Dates: February 18-22
Times: 10am-1pm
Cost: Feb: \$230
Location: Painted Pink Cat Studio at the SF Gallery and Framing, 10 SW Cutoff, Northboro
Instructors: Kristin Young and studio staff

JEDI ROBOTICS USING LEGO WeDo

Build and program robots inspired by a galaxy far, far away using the LEGO® WeDo® system! Lift an X-Wing from Dagobah swamp, program a droid-sorting factory, and land an Imperial Shuttle using motion sensors. In small groups, learn basic programming, engineering, and robotics concepts in a fun Jedi-themed environment.

Grades: 1 - 3
Days: Tuesday - Friday
Times: 9am - 12pm
Dates: February 19 - 22
Cost: \$175 (4 classes, 3 hours)
Location: Lincoln St School
Instructor: Play-Well TEKnologies

JEDI ROBOTICS USING LEGO NXT

These ARE the droids you're looking for! Build and program robots inspired by a galaxy far, far away using the LEGO® Mindstorms system. Navigate a minefield, target shield generators, and even respond to the Force using Play-Well's full array of sensors and servos. Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. Work in small groups to solve problems in this open-ended Jedi-themed environment.

Grades: 4 - 6
Days: Tuesday - Friday
Times: 1pm - 4pm
Dates: February 19 - 22
Cost: \$175 (4 classes, 3 hours)
Location: Lincoln St School
Instructor: Play-Well TEKnologies
